Sharin Khander

Staff Product Manager | Marketplaces | Growth

skhander@gmail.com · LinkedIn · New York

Consumer PM specializing in discovery, personalization, and AI for marketplaces. Makes large catalogs feel relevant and easy to explore. Combines design fluency, analytical rigor, and 0→1 judgement. Launched a paid subscription program that drives $45M in ARR and scaled a sponsored ads pilot into a $350M/year business.

EXPERIENCE

Staff Product Manager
01/2023 – 10/2026

The RealReal — New York

Owned growth for a marketplace of 44M members and 6M+ products.

- Increased platform sign-up conversion by 10% through tests of registration timing and placement, earning the company Spotlight Award in 2025.
- Built a curation platform that used ML-powered recommendations to help merchandisers find products for look books, cutting curation time by 30%.
- Launched First Look, a paid subscription for early access to new arrivals. Added 4K members in month one, with 12% converting from free to paid. Members now drive 15% of sales.
- Pioneered an AI shopping agent that simplified search and discovery for new users, lifting new buyer conversion 3%.
- Introduced a wishlist sharing feature that grew new buyers 10%, then expanded the concept into influencer-curated lists that generate $40M/year in revenue.

Senior Product Manager, Growth
2020 – 2022

Macy's Inc — New York

Led growth and retention for Macy’s $2B credit and loyalty programs.

- Built churn prediction models and tested targeted retention offers for at-risk credit card customers, cutting cancellations 5%.
- Redesigned credit card onboarding using funnel analysis, user interviews, and A/B tests to identify where customers dropped off, reducing exit rate by 9%.
- Simplified loyalty signup with one-click enrollment at checkout, growing membership by 10%.
- Built re-engagement programs that target one-time buyers with offers to bring them back, lifting repeat purchases by 4%.
- Defined acquisition and retention KPIs and built executive dashboards, accelerating decision-making speed by 15%.

Product Manager, New Verticals
2019 – 2020

Bloomingdale's — New York

Owned registry and personal shopping, a combined $60M business. Promoted from APM to launch a new ad vertical.

- Built a $350M ads business from a 3-client pilot. Launched an engine to serve personalized ads, sponsored products, and generate performance reporting serving 250 advertisers.
- Re-designed registry onboarding and introduced personalized recommendations to help couples complete their registries, increasing activation rate by 20%.
- Launched a guided appointment booking experience that matched shoppers with the right stylist and store based on their preferences, increasing first appointment value by 25%.
